The owner, The Regents of the University of California, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on issue U.S. Patent No. 6,258,789, filed on July 10, 2001, of any patent on the pending second application.
